

BY TORY ARCHBOLD

THE 5-POINT STORY

## Your Story

Use the 5-Point Story to create something that captivates your listener. Your new connections won't remember everything you say, but they WILL remember your story!

What was it like growing up?
Who did you want to be when you left school?
What are your career highlights?
What was your game-changing moment?
Where are you today?

## First 70 years of \_\_\_\_\_\_'s "Lifeline"
